

# *Dellview Elementary School*

☆☆☆ A TEA "Recognized" Campus ☆☆☆

Martha R. Staufert, Principal  
Christina Mank, Assistant Principal

March 26, 2013

To Whom It May Concern:

I am writing to you in support of Mrs. Ashley Mathews and her desire to become a member of your campus.

I have had the pleasure of seeing Mrs. Mathews grow as a new teacher for the last two and a half years, and supervising her efforts in a 4<sup>th</sup> grade classroom. She has been a tremendous teacher and an asset to our school. She has proven to be a leader on her team and an initiator of new ideas and routines that benefit our kids.

I feel confident that Mrs. Mathews will continue to succeed in her career. She has been a dedicated teacher and I know that she will continue to be dedicated wherever her career takes her. In her classroom, she has proven to be a take-charge person who is able to successfully develop rigorous instructional plans and implement them. Many of her co-workers seek her advice and support. Mrs. Mathews has always been there for her team and is quite comfortable in the role.

I believe Mrs. Mathews is destined to be a leader in Education, and therefore would be an excellent addition to your team and campus. I highly recommend that you consider Mrs. Mathew's transfer application as she will be a great asset to any future educational facility that she may represent.

Thank you for your time and consideration,

Christina Mank  
Assistant Principal, Dellview Elementary
